

I strongly believe that greater links between County and Borough Council now upgraded the Local Committee to a Joint Committee to provide better and more focused local services. We live in a lovely area which is why so many people want to come here! While welcoming them we must protect our open spaces and ensure that any developments are appropriate. Defending our green belt and protecting our green spaces remain paramount. Our prosperity depends on business so I agree with both Surrey and Spelthorne in supporting the third runway at Heathrow which in turn

I have lived with my wife Sarah in School Walk in the heart of Lower Sunbury since 1987 where our two children were born and brought up. I am an actuary and continue to run my part time consulting business from home. This gives me time and flexibility to participate fully in the local community. Since my election as your Surrey County Councillor four years ago I have helped and represented lots of residents with a variety of local concerns from pavements to traffic to trees.

In recognition of my finance work on Spelthorne Borough Council and Surrey's Health Scrutiny Committee I was appointed to Surrey's Cabinet in 2015 where I share responsibility in the challenging area of Adult Social Care. This has given me great insight into the crucial services provided to Surrey residents

Surrey Conservatives

OUR POSITIVE VISION FOR SURREY

Surrey Conservatives are delivering a strong economy, great schools and are investing in our local infrastructure, all this in a time of financial austerity.

ECONOMIC PROSPERITY

We have invested to help grow our economy by 20% in four years. With more apprenticeships than ever unemployment is low and we have brought superfast broadband to over 86,000 homes and businesses. We will resurface and treat more roads and pavements, bring broadband to another 5,000 properties, increase waste recycling and support our young people into education, training and employment.

A GREAT START IN LIFE

Surrey's 450 schools are some of the best in the country with 95% rated 'Good' or 'Outstanding'. Together with teachers, parents and governors we will keep standards high.

We've spent millions on extra classrooms and plan to create 11,000 more school places by 2021. Every child must have a school place. We will safeguard all our children particularly those in need of support and protection.

A GREAT PLACE TO LIVE

Here in Surrey we are living well and living longer. By 2022 older people will make up 20% of the population.

We will fight for the funding we need for Social Care.

We will bring health and social care together so that people can return home from hospital sooner and stay well at home.

We will protect our stunning countryside by investing in flood protection schemes.

GREAT PUBLIC SERVICES AND VALUE FOR MONEY

Keeping people safe by working with the police to cut crime and maintaining our excellent fire service.

We will promote digital technology so you can access local services online and on your mobile.
