

From Sinead Mooney—your Conservative Councillor on Surrey County Council

My thanks to the residents of Staines.....

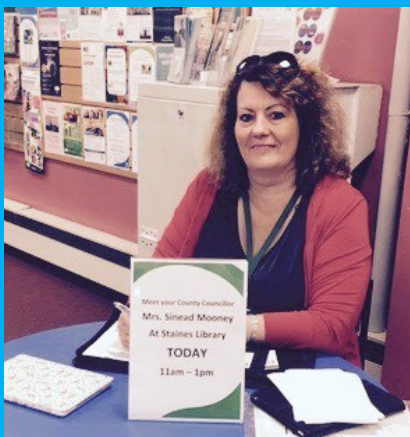

It is a real honour to have been elected as your county councillor at the elections on 4th May 2017 and I am very moved by the expression of confidence from the community and your display of support.

During my campaign many residents took their time to share with me their concerns, ideas and aspirations for their local area. Since being elected I am now taking these matters forward and speaking on your behalf.

It has been a very busy few months!!

Some of the main issues that I am working on are:

1. Lobbying for the relining of the road markings on the A30 and the Crooked Billet roundabout, work has commenced on this
2. Supporting residents and local businesses with highways issues
3. Working closely with residents on parking issues, including carrying out parking surveys
4. Supporting local groups with a view to improving facilities for the local community
5. Working closely with Spelthorne Borough Council and key partners to tackle anti social behaviour in Staines High Street and other areas
6. Dealing with day to day case work and resident enquiries, including (but not limited to) housing issues, litter, abandoned vehicles and anti social behaviour
7. Setting up a drop in surgery at Staines Library
