

# Rose Chandler, Chris Frazer & Tony Mitchell The local choice for Ashford East

## Securing our local economy

- Supporting local businesses and hard-working families
- Promoting economic growth, local job fairs and helping young people find work
- Supporting the Staines Gateway Development, backing the Spelthorne Business Forum
- Investing £700,000 in smaller shopping areas and supporting our communities

## Protecting our local environment

- Helping protect our communities from further flooding
- Investing in and supporting the Lower Thames Flood Scheme
- Protecting our local environment and Green Belt
- Strongly opposing the "Eco-Park" and possible Kempton Park developments

## Protecting our local community

- Supporting the Police and enhancing CCTV coverage to stop crime
- Taking enforcement action and tackling anti-social behaviour
- Investing £250,000 in Spelride; putting £2m aside for new homes
- Backing community centres; making more care provisions for the frail and elderly

## Securing our future

- Carefully managing council finances and assets to benefit local people
- Reducing bureaucracy, getting value for money and modernising the council
- Relocating council offices to cheaper more efficient premises
- Attracting new businesses and jobs

**Listening ... Caring ... Keeping our Promises**

## Remember, when local Conservatives win our whole community wins

Spelthorne Borough Council Elections Thursday 7th May 2015

### Rose Chandler

Rose Chandler has lived in Surrey for 14 years and in Ashford since 2007.

Married to Mike, she has two married daughters and a son.

As a resident of Wrens Avenue she has first-hand experience of the local traffic problems and other local issues.

She joins a proven and hard-working Ashford East Conservative team and her experience in advice and counselling work will no doubt help in her council work with local residents

Tel: 07949 588162

Email: [rosebudchandler@live.co.uk](mailto:rosebudchandler@live.co.uk)

### Chris Frazer

Chris Frazer was elected here in 2011, with previous experience as a London Councillor.

He organised the petition, with hundreds of you calling for action to deal with the heavy lorries along Feltham Road (35), and the highways authority are now working with the Police on urgent traffic-calming measures.

Your replies to our recent survey show that you strongly support keeping parking on the present multi-storey Church Road carpark, but not in its current poor and unsafe state, and Chris is leading moves to improve the site.

Chris is a lawyer specialising in welfare and benefits issues, and helps local people in need.

Tel: 07790 226617

### Tony Mitchell

Tony Mitchell has lived in Ashford since 1963. His mother, daughter and grand-daughters reside in Ashford and therefore it can be seen that he has significant local interests in protecting the Borough of Spelthorne. It was for this reason that he stood as a Borough Councillor in 2010.

Since his election he has been actively involved having participated in the Planning Committee, the Licensing Committee and, more recently, having cabinet responsibility for Environmental Services to include rubbish collection, recycling and the upkeep of parks and local 'green' areas.

He has been involved in local issues including the Clockhouse Lane bridge and lorries in Feltham Road. Along with others he has invested in the improvements that have taken place at Ashford Station.

# THE CONSERVATIVES: PUTTING LOCAL PEOPLE FIRST

## OUR SHARED PRIORITIES

Our Borough's economic record is outstanding with record low unemployment and a business-friendly reputation. Only the Conservatives can protect our strong local economy, provide jobs, opportunities, security and stability.

But it's not just about the economy. It's also about the environment and communities we live in. That's why we are working hard to preserve front-line services for families, the young, the elderly and vulnerable. That's why we acted on your concerns about crime and anti-social behaviour. That's why we fought to protect our local environment. That's why we back local communities. That's why your priorities are our priorities.

Our Borough is a great place to live and work. Only a Conservative council can ensure its future is protected and that our communities are safe and secure.

## OUR FLOOD RELIEF EFFORT

provided Portaloo's and sandbags for residents. We helped with business rate relief and negotiated better payments from government for affected local businesses

**OUR CAMPAIGN TO PROTECT THE GREEN BELT AND ENVIRONMENT:**  
We oppose over-development and unauthorised building

**OUR CLEANER STREETS CAMPAIGN:**  
Targeting dog fouling has benefitted all communities

**OUR ZERO TOLERANCE TOWARDS CRIME AND ANTI-SOCIAL BEHAVIOUR:**  
Spelthorne crime rates are down! In partnership with the Police we are piloting innovative new ideas for more effective enforcement.

**OUR FOCUS ON PROVIDING VALUE FOR MONEY IS UNRELENTING:**

Only the Conservatives are committed to ensuring we offer efficient, value for money services

**OUR COMMITMENT TO MAKING SPELTHORNE A BETTER PLACE TO LIVE:**

We protect our parks and open spaces, fund leisure facilities and support community events such as Spelthorne in bloom

**WE SUPPORT HARD WORKING FAMILIES:**

£2m has been set aside to help families get homes. Developers are asked to contribute to housing projects and we have partnered with others to assist the homeless

**WE SUPPORT THE ELDERLY AND FRAIL:**

We back the voluntary sector and community centres with grants totalling £400,000.

**OUR COMMITMENT TO THE ENVIRONMENT IS UNQUESTIONED:**

An extra 1500 properties now have recycling collections as well as weekly food waste collections. With more items now recyclable we now send less to landfill, helping us all to do our bit for the environment

# PROTECTING OUR COMMUNITY - SECURING OUR FUTURE
