# THE CONSERVATIVES: PUTTING LOCAL PEOPLE FIRST

## OUR SHARED PRIORITIES

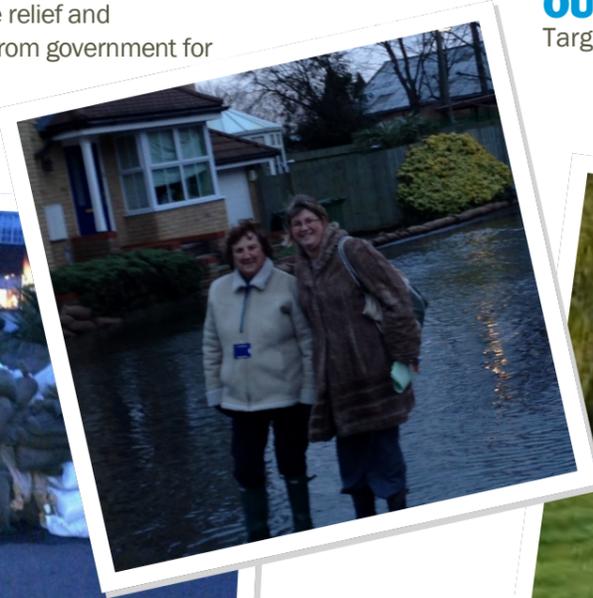

Our Borough's economic record is outstanding with record low unemployment and a business-friendly reputation. Only the Conservatives can protect our strong local economy, provide jobs, opportunities, security and stability.

But it's not just about the economy. It's also about the environment and communities we live in. That's why we are working hard to preserve front-line services for families, the young, the elderly and vulnerable. That's why we acted on your concerns about crime and anti-social behaviour. That's why we fought to protect our local environment. That's why we back local communities. That's why your priorities are our priorities.

Our Borough is a great place to live and work. Only a Conservative council can ensure its future is protected and that our communities are safe and secure.

**OUR COMMITMENT TO MAKING SPELTHORNE A BETTER PLACE TO LIVE:**

We protect our parks and open spaces, fund leisure facilities and support community events such as Spelthorne in bloom
