Spelthorne in safe hands

Your local Borough Councillors have been working hard on your behalf representing your views to Spelthorne Borough Council

Floods

January and February of last year were some of the worst times for our residents. The flooding and the ensuing clear up were difficult and frustrating and no amount of compensation can fully help replace the damage caused to someone's family home.

Your local Councillors worked throughout the flooding and successfully lobbied Government to make Riverside and Laleham as safe from the waters this Winter as possible.

Ditch drainage continues at Sweep's Ditch. These small waterways need to be kept clear;

We will continue to fight for even more funding to prevent further flooding on your behalf.

Dog Fouling

This successful campaign is being copied by other councils across the country. Residents have told us that this is a big problem and we have listened.

Residents have told us they have appreciated the hanging baskets in their area, we hope to continue this around the Ward.

Gravel Extraction

We will continue to lobby for our residents **AGAINST** gravel extraction. The County Council are now consulting on the Minerals' Plan – please let your views be known via: restore@surrey.gov.uk or the Technical support team on 020 8541 9897. Spelthorne has given its fair share of gravel and the message is "enough is enough".

£250,000 is being given to new Spelride buses for our residents.

Activities designed for people aged 50+ started in January at Spelthorne Leisure Centre. We are also working in partnership with the County Council to expand our Daycare services for our residents.

Your Conservative Councillors stepped in and supported the Christmas lights in Staines last Christmas from their good causes fund

Our residents expect and deserve their Councillors to ensure their council tax is spent wisely. New business brings great economic benefits to the Borough. The November business start-up report showed that 65 new businesses began trading in Spelthorne placing Spelthorne 6th out of the 11 Surrey boroughs and bucking the trend of the rest of the country which has seen negative growth.

Surrey and Spelthorne residents provides over £6billion to Government each year but receives only a fraction of that in return to fund all essential services. Surrey's funding from Government at £203 per head is the 4th lowest in the country (nationally £260 per head). We will continue to argue for fairer funding on your behalf. We will continue to cut waste and encourage local authorities to work closer together to save our residents money.
