Denise on road maintenance...

Our area has a backlog of badly needed road maintenance. For example, look at the terrible condition of Woodthorpe Road in Ashford. It urgently needs resurfacing - why didn't the last UKIP County Councillor do anything about this before unexpectedly quitting for Australia?

When I was a County Councillor Woodthorpe Road was prioritised for resurfacing and should have been completed by now. Local residents cannot understand why this main road has been neglected for so long. We've all been badly let down by the last UKIP County Councillor.

If elected, I will ensure immediate attention is paid to fix this heavily used road linking Ashford and Staines.

Denise on footpaths and walkways...

Our footpaths and walkways are overgrown and require better management. It is important that cyclists and pedestrians are able to travel freely between Ashford and Staines. Why didn't the last UKIP County Councillor deal with this before he quit?

I will ensure all footpaths are subject to a maintenance plan and will encourage residents to report areas of overgrown vegetation and poor surfaces.

I promise to update the residents of Ashford and Staines of progress and action taken to ensure our footpaths are fit to use by everyone.

Denise on community safety...

I will work with local schools, students, parents and residents to identify new locations for crossings and safety barriers to enable safe access to our schools. The growing number of children in local schools is putting pressure on safe routes and parking. If elected I will ensure that I am in constant contact with local residents and our schools to address these issues.

Denise on protecting the vulnerable...

We are blessed with many committed voluntary groups who provide much needed assistance to the elderly and vulnerable in our community. I will always do my utmost for such organisations in Staines and Ashford to make sure they receive the support they need.
