The local choice for Shepperton Town

THE CONSERVATIVES: PUTTING LOCAL PEOPLE FIRST

OUR SHARED PRIORITIES

Our Borough's economic record is outstanding with record low unemployment and a business-friendly reputation. Only the Conservatives can protect our strong local economy, provide jobs, opportunities, security and stability.

But it's not just about the economy. It's also about the environment and communities we live in. That's why we are working hard to preserve front-line services for families, the young, the elderly and vulnerable. That's why we acted on your concerns about crime and anti-social behaviour. That's why we fought to protect our local environment. That's why we back local communities. That's why your priorities are our priorities.

Our Borough is a great place to live and work. Only a Conservative council can ensure its future is protected and that our communities are safe and secure.

OUR FLOOD RELIEF EFFORT

provided Portaloo's and sandbags for residents. We helped with business rate relief and negotiated better payments from government for affected local businesses

OUR ZERO TOLERANCE TOWARDS CRIME AND ANTI-SOCIAL BEHAVIOUR:

Spelthorne crime rates are down! In partnership with the Police we are piloting innovative new ideas for more effective enforcement.

OUR COMMITMENT TO MAKING SPELTHORNE A BETTER PLACE TO LIVE:

We protect our parks and open spaces, fund leisure facilities and support community events such as Spelthorne in bloom

WE SUPPORT HARD WORKING FAMILIES:

£2m has been set aside to help families get homes. Developers are asked to contribute to housing projects and we have partnered with others to assist the homeless

OUR FOCUS ON PROVIDING VALUE FOR MONEY IS UNRELENTING:

Only the Conservatives are committed to ensuring we offer efficient, value for money services

WE SUPPORT THE ELDERLY AND FRAIL:

We back the voluntary sector and community centres with grants totalling £400,000.

OUR CLEANER STREETS CAMPAIGN:

Targeting dog fouling has benefitted all communities

OUR CAMPAIGN TO PROTECT THE GREEN BELT AND ENVIRONMENT:

We oppose over-development and unauthorised building

OUR COMMITMENT TO THE ENVIRONMENT IS UNQUESTIONED:

An extra 1500 properties now have recycling collections as well as weekly food waste collections. With more items now recyclable we now send less to landfill, helping us all to do our bit for the environment

PROTECTING OUR COMMUNITY - SECURING OUR FUTURE
