## TELLING THE TRUTH!

Halliford and Sunbury West is a lovely place to live. Your local Conservatives are committed to keeping it that way by protecting our Green Belt and minimising development.

The latest rumour is that London Irish wish to build a grandstand on their Sunbury ground. This is completely untrue; London Irish have unequivocally confirmed that “they have no plans to build a large stadium at Hazelwood.”

### Sunbury Health Centre

Candidate Tim Evans says: “We are all aware of the difficulties facing Sunbury Health Centre. I am proud to have been working with Kwasi and the Practice to secure more space to house patients and doctors in Sunbury. We are getting closer to finding a solution. We have met with NHS England to press for their help; they are being supportive and have now committed £75m to fund capital investment projects. The Health Centre is well positioned to secure a portion of this funding.

### THURSDAY, 7<sup>th</sup> MAY GENERAL ELECTION

*The General Election on 7<sup>th</sup> May is of crucial importance for the future.*

*Just five years ago, this country was on the brink of bankruptcy. Five years later, we have more people in work than at any time in our history. The unemployment rate in Spelthorne stands at less than 1%. Ed Miliband and the Labour Party would return Britain to economic chaos. They would tax every working family an extra £3000 to pay for more welfare and out-of-control spending. We must make sure this does not happen.*

*With your support, the Conservatives can win a second term in government and carry on creating jobs and giving families peace of mind for the future.*

### **A message from Kwasi Kwarteng**

*Halliford and Sunbury West is a quiet corner of the Borough of Spelthorne. For this reason, it is very important that our local councillors here fight to oppose all kinds of development that threaten the tranquillity of the community. Our local council candidates combine experience, in the form of Tim Evans, and some fresh blood in the form of Anthony Jones and Denise Turner-Stewart. I know there is ongoing concern about Sunbury Health Centre. I have been working for a long time with local councillors to try and reach an adequate solution. I look forward to continuing to do so.*
